

Yes it is

(Lennon / McCartney - 1965)

Lyrics adapted to the corona crisis by: **Alex. Villinger**

A-TEIL:

- 1) Please, do stay home tonight!
Remember what they said last night:
The corona virus is still here, mind you
And what's more, it's true, yes it is.

- 2) Staying home all time, I'm bored!
Ev'rybody knows, I'm sure.
I can remember all the things we planned
For this weekend, it's true,
Yes it is, it's true, yes it is.

B-TEIL:

*I could be happy with you by my side
If I could go out now
But I've to stay, I've to stay, I've to stay, I have to stay
Home, yeah!*

- 3) Please, don't go out tonight!
You've heard what they said last night
For if you respect them then you won't feel blue
In spite of this curfew
Well, I'm sure, it's true, yes it is.
